I (we) have read and understand the Code of Ethics for the All Terrier club of Western Washington and agree to abide by the code, the club constitution and by-laws. We recognize that to accepted for membership we must first attend one meeting and be sponsored by two current members. If you plan to regularly attend club meets and take an active role in club activities (e.g. man the Seattle Kennel club booth, help with the Group show), then you should apply for regular membership with voting rights. Associate memberships do not include voting rights but indicate an individual's support of the club. Both associate and regular members receive the club newsletter and are entitled to attend all club events.
